

## **2019 GU XIAOCHENG LECTURE 顾孝诚讲座奖**

Nominations for 2019 GU XIAOCHENG LECTURE 顾孝诚讲座奖 are now open.

The Gu Xiaocheng lecture award was established by the Gu Xiaocheng Memorial Fund in 2012. The lectureship recognizes young investigators showing promises to become future leaders in life science research, especially those who work in China. Recruiting overseas scientists to return to China had been Professor Gu Xiaocheng's long-time passion. The Gu Xiaocheng lecture will be presented at the annual Ray Wu Symposium series. Professor Gu Xiaocheng worked closely with Dr. Ray Wu in many areas to promote scientific exchanges between China and the United States. This lectureship also commemorates the friendship between Dr. Ray Wu and Professor Gu Xiaocheng, and their shared legacy.

The Gu Xiaocheng lecture award also includes a crystal plaque and a cash honorarium. In the past six years, eight outstanding young investigators received the award. For more information, please visit our website [http://raywumemorialfund.org/about\\_prof\\_gu.php](http://raywumemorialfund.org/about_prof_gu.php).

Please send your letter of nomination describing the qualifications of your candidate and the candidate's CV to [raywuprize@nibs.ac.cn](mailto:raywuprize@nibs.ac.cn).

**The deadline for receiving nominations is July 15, 2019.**
